

A thought for Holy Saturday 11th April 2020

It is hard for us to know how the disciples felt as we know the ending of the story. They like us were not allowed to move around because it was the Sabbath and they didn't know what was happening.

We are lucky as we have various ways to communicate with others across the world and down the street.

There are many who are struggling to come to terms with losing their loved ones, both here and across the world and we need to pray and think of all those who have lost their lives.

Just spend time thinking of those who have lost someone close to them.

Death leaves a heartache no-one can heal
Love leaves a memory no one can steal.

Prayer

Lord we lift before you those who have died.

Those in the news, the doctors, medics, carers those doing their utmost to help others.

The refugees, the homeless, those in care homes.

Those in our own families, our friends and neighbours.

Lord we pray for these people and pray that they felt you beside them in the lonely times.

Lord we lift before you those who grieve;

be with them Lord and help them as they travel life's journey. Amen
